Governors' Page

I write this as I come to the end of my 4 years as a Parent Governor. It has been an enjoyable time and certainly an eye-opener with regards to how a school is run and governed.

I have had 3 children pass through this school, the first starting in 1997 and the last one leaving in 2010. During this time the school has undergone a large amount of changes. The most significant in my view is the reduction of pupils attending the school. When first coming to this school there was twice the amount of classes as now, if not more. One thing that hasn't changed in my opinion is the standards that the school strives to maintain. The standards of teaching have continued to be superb, as has the way the school is run and presented.

On joining the governing body it amazed me how much work goes into running a school. I never thought it ran itself but still it was an eye-opener!

I became a parent governor as I believed it was time to play my part in helping the school that has been so good to my family and I would like to think that when I step down there will be a lot of people interested in taking my place. Unfortunately, the last few governors have been elected unopposed and it worries me that people will not show any interest in joining the Governing Body because they think it will be too hard. Believe me if I can do it any one of you can do it! What I think I' trying to say is that it is vital for the continued success of this school that parents play a part; from helping out at school events, contributing to enrichment activities and taking up places on the Governing Body.

On a lighter note the end of the school year approaches which means lots of events happening around the school. It was my great pleasure to be invited to the KS2 sports day recently. I was invited to judge the shot-putt and was really impressed with the attitude the children showed. They were competitive without a 'win at all cost' attitude, something that has always been apparent in Kingsmoor children from football to swimming, cricket and all other activities the school takes part in. It is always a pleasure to visit the school for these events especially when the Friends of Kingsmoor Lower School are doing a BBQ!

I hope you all enjoy the remainder of the term and have a great summer.

Simon Elkins
